 - i. Where there is a discrepancy between amounts in figures and in words, the amount in words will govern.
 - ii. Where there is discrepancy between the unit rate and the line-item total resulting from multiplying the unit rate by the quantity, the unit rate as quoted shall govern unless in the opinion of the Employer there is an obviously gross misplacement of the decimal point in the unit rate, in which case the line-item total as quoted shall govern, and the unit rate shall be corrected
 - iii. If the supplier refuses to accept the correction, this quotation will be rejected and the EMD shall be forfeited
 - c) **AWARD OF PURCHASE ORDER:** the award will be given to the bidder who is offering the lowest evaluated price that meets the specifications. The successful bidder will sign a contract as per the attached form of contract and terms and conditions of supply.
